IN RE: ACCOUNT OF TERRY G. MACKIE
DOCKET NO. 2006-29
CLAIM OF TERRY G. MACKIE

OPINION AND ORDER

On December 1, 2006, Terry G. Mackie ("Claimant") filed a Request for Administrative Hearing with the Public School Employees' Retirement Board ("Board") to appeal the decision of the Public School Employees' Retirement System ("PSERS") denying Claimant's request to purchase credit for seven (7) years of part-time service at Penn State University, Beaver Campus.

On December 20, 2006, PSERS filed an Answer to the Claimant's Request for Administrative Hearing.

The State Employees' Retirement System ("SERS") has agreed to bill and credit Claimant for the seven (7) years of part-time service at Penn State University as State service.

NOW THEREFORE, IT IS HEREBY ORDERED that since SERS has agreed to allow Claimant's purchase of this part-time service, this appeal is now deemed MOOT and is hereby DISMISSED.
