SUBJECT: PSERS' Public Information Policy

TO: Bylaws/Policy Committee

FROM: Richard D. Michlovitz  
Deputy Chief Counsel

The red-lined draft of the Policy on Public Information that follows shows proposed revisions that were taken from a Right-to-Know (RTKL) policy template circulated to administrative agencies by the Office of General Counsel. The added text does not substantively change the manner in which PSERS handles RTKL requests, but for the most part adds details that flesh out the current Policy. The one notable change is adding the cost of staff time expended in redacting information to the allowable fees that PSERS may charge. We found that some RTKL requests required many hours of senior and mid-level staff time to review and redact documents, and believe that charging the expense to the requester is fair and reasonable

## Public School Employees' Retirement Board Policy on Public Information

### I. GENERAL POLICY.

It has always been, and continues to be, the policy of the Public School Employees' Retirement Board ("Board") to provide access to public records to the fullest extent required by law and Commonwealth of Pennsylvania policy, consistent with its duties to protect the interests and rights of the Public School Employees' Retirement System ("PSERS") and its members. This extensive revision of this Policy is occasioned by the enactment of the new Right-to-Know Law ("RTKL"), 65 P.S. §§67.101 - 67.3104 on February 14, 2008, to become effective on January 1, 2009.

In addition to the RTKL, the release of information pertaining to PSERS' business is controlled by, Management Directive 205.36 (Amended November 20, 2008), the "Sunshine Act," 65 Pa. C.S. §§ 701-716 and the Public School Employees' Retirement Code ("Retirement Code"), 24 Pa. C.S. §§8101-9102. The RTKL governs the inspection and copying of agency records; Management Directive 205.36 establishes policies and procedures for agency compliance when responding to requests made pursuant to the RTKL; the "Sunshine Act" requires public agencies to hold certain meetings and hearings open to the public; and the Retirement Code contains certain relevant provisions unique to PSERS.

Other applicable authorities include Administrative Agency Law, 2 Pa. C.S. §§501-508; Administrative Code (particularly 71 P.S. §182), General Rules of Administrative Practice and Procedure, 1 Pa.Code Ch. 31-35, Pennsylvania decisional law, Management Directives (particularly No. 505.18), as well as any other laws, rules, regulations, and policy directives that may apply to public records. The Office of Chief Counsel should be consulted in cases in which this Policy does not provide sufficient guidance to reach a determination.

In promulgating this new Policy on Public Information, this Board must recognize and give effect not only to the statutory and decisional law on the subject but also to its fiduciary and administrative duties and obligations to the members of PSERS and to the Public School Employees' Retirement Fund (the "Fund"). In balancing situations in which the right of the public to know competes with those other duties and obligations, PSERS shall apply the standards listed below, as appropriate.

- If the Board has reasonable grounds to believe that criminal activity has occurred or may occur, information that could be used in furtherance of the criminal activity shall not be released.

- In compliance with state and federal laws that protect the privacy of health-care information, including the Health Insurance Portability and Accountability Act of 1996, medical records shall not be released to the public.

- Information that could, if disclosed, be detrimental to Fund investments under the standard of care set forth in 24 Pa. C.S. §8521, shall not be released.

• Requests for information pertaining to PSERS' employees shall be administered in accordance with Management Directive 505.18 Amended, Management Directive 505.12 Amended and 67 P.S. § 708(b)(7).

Consistent with this policy, PSERS may, from time to time, make available on its web site ([www.pfers.state.pa.us](http://www.pfers.state.pa.us)) certain financial and investment information to facilitate access to such information and reduce the time associated with responding to formal written RTKL requests.

This Policy shall be construed and applied to give effect to compulsory changes in the law or Commonwealth policy that may become effective subsequent to the adoption of this Policy.

## II. DEFINITIONS.

The RTKL defines a "record" and "public record" respectively as follows (emphasis added):

A "Record" is:

*"Information, regardless of physical form or characteristics, that documents a transaction or activity of an agency and that is created, received or retained pursuant to law or in connection with a transaction, business or activity of the agency. The term includes a document, paper, letter, map, book, tape, photograph, film or sound recording, information stored or maintained electronically and a data-processed or image-processed document."*

"Public Record" is defined as:

A record . . . that:

- (1) is not exempt under section 708;
- (2) is not exempt from being disclosed under any other Federal or State law or regulation or judicial order or decree; or
- (3) is not protected by a privilege.

The Board recognizes three specific statutory exemptions from disclosure in the Retirement Code:

1. Records that would conflict with the Board's duty to protect the rights of the membership as to privacy and confidentiality under 24 Pa C.S. §8502(i).
2. Records relating to partnerships and other alternative investments described in 24 Pa. C.S. §8502(e)(2)(i) - (iii).
3. Records that could, if disclosed, be detrimental to Fund investments under the standard of care imposed on the Board by 24 Pa. C.S. §8521.

The definitions of other terms used in this Policy are either contained in Management Directive 205.36, which is attached to this Policy as Appendix A, or made when the term is first used in this Policy.

### III. PROCEDURE FOR REQUESTS.

#### A. Adherence to Management Directive 205.36.

PSERS shall follow the procedure set forth in Management Directive 205.36, which is attached as Appendix A, for responding to RTKL requests and for handling exceptions to the denial of RTKL requests.

#### B. Agency Open Records Officer ("AORO").

All RTKL requests shall be directed to PSERS' AORO. Telephone inquiries to the AORO should be made to (717) 720-4749. Requests for public information must be in writing, signed by the requester, and addressed as follows:

<u>Mail or Other Means of Delivery</u>	<u>Facsimile</u>
Open Records Officer Public School Employees' Retirement System 5 N. Fifth Street Harrisburg, PA 17108-0125	Open Records Officer Public School Employees' Retirement System (717) 772-5372

E-mail requests shall be made to: [ra-PSERSRTKL@state.pa.us](mailto:ra-PSERSRTKL@state.pa.us)

Submittal of a request to any other address or facsimile number does not give rise to any obligation on the part of PSERS to respond to it, nor can it serve as a basis for the deemed denial of the request.

#### C. Who has the Right to Know?

A "requester" can be any person or corporation who is a legal resident of the United States, regardless of residency within or outside of the Commonwealth.

#### D. Form and Content of Request.

Requests for public records must: (1) be in writing, (2) be addressed to the AORO, (3) contain the name, address and telephone number(s) of the requester, (4) be signed by the requester, (5) be clearly identified as a right-to-know request, (6) be sufficiently specific to enable PSERS to ascertain which records are being sought, and (7) provide the address to which PSERS should send its response. (The request may be on the form developed by the Office of Open Records ("OOR"), which can accessed at <http://openrecords.state.pa.us>.) PSERS does not accept anonymous or verbal requests for records. Requests may be sent via facsimile, mail or e-mail (addressed to [ra-PSERSRTKL@state.pa.us](mailto:ra-PSERSRTKL@state.pa.us)), or be delivered in person. Requests received by PSERS will

E. Business Hours.

PSERS' regular business hours are from 7:30 a.m. to 4:30 p.m. on each business day. Any request received after business hours of a particular day shall be deemed received on the next business day.

F. Physical Access to Public Records.

In the event that a requester is allowed physical access to public records, PSERS shall designate a public access room in its headquarters located at 5 N. Fifth St., Harrisburg, PA or in any of its field offices for use during regular business hours.

G. Redaction.

PSERS will not deny access to a public record based upon the fact that portions of the record are not public records and, as a result, not subject to disclosure. PSERS will redact the portions of a public record that are not public records and produce the portions that are public records.

H. Notice to Member.

Deleted: G

When PSERS complies with a RTKL request for public information regarding an individual member's account, PSERS shall, whenever reasonably practicable, provide subsequent written notice to the member that identifies (a) the name of the requester and (b) the information provided by PSERS. Members do not have the right to approve or disapprove a request for public records. The request for information and a record of its administration shall also be retained in the member's file.

I. Member Authorization for Release of Information.

Deleted: H

PSERS may release information that is available to a member from the member's file, including information that would otherwise not be released, upon written authorization by the member directed to PSERS. PSERS will limit its release of information to the extent provided in the member's authorization.

PSERS will determine and charge such fees on a case by case basis.

The demand for prepayment will specify a reasonable period of time in which the requester must make such prepayment. Failure to make to estimated payment by the date required by PSERS will result in the request being deemed withdrawn.

**RETIREMENT BOARD BUSINESS**

In responding to requests for public records relating to the business of this Board, PSERS shall consider the fiduciary obligations and standard of care set forth in the Retirement Code. For example, by application of the "prudence" standard set forth in PSERS' enabling legislation, premature disclosure of information that could be detrimental to PSERS' interests in an investment would be prohibited if "persons of prudence, discretion, and intelligence who are familiar with such matters" would not disclose the information in the conduct of their own affairs. 24 Pa.C.S. §8521(a).

As a general rule, investment matters that have been approved for funding by the Board are subject to disclosure, unless the approval is conditioned in a manner that calls for confidentiality until the conditions are satisfied.

The Retirement Code also sets forth a duty for PSERS to "protect the rights of its membership as to privacy and confidentiality." 24 Pa.C.S. §8502(i). The membership's privacy "rights" include the prohibition in the RTKL against release of records that would impair a member's personal security. 65 P.S. §708(b)(1)(ii). The fact that requested information may be used for commercial purposes, standing alone, is not a permissible ground for denial.

Requests for information pertaining to PSERS' employees shall be administered in accordance with Management Directive 505.18 Amended.

Field Code Changed

In reference to the competitive bidding process, the RTKL, 65 P.S. §708(b)(26) has changed the law, and now provides that bids and proposals are not public records unless or until a contract is executed with one of the bidders or offerors, at which time all proposals – successful or unsuccessful – are subject to disclosure, with the exception of financial information furnished to demonstrate economic capability.

PSERS may furnish information to or receive information from other Commonwealth agencies under 71 P.S. §182, which provides that whenever “power is vested in a department, board, or commission, to inspect, examine, secure data or information, or to procure assistance, from any other department, board, or commission, a duty is hereby imposed upon the department, board, or commission, upon which demand is made, to render such power effective.” PSERS may condition the release of information under §182 on the completion of a confidentiality agreement by the requesting entity.

## BENEFITS ADMINISTRATION

The Retirement Code requires the Board to "protect the rights of its membership as to privacy and confidentiality." 24 Pa. C.S. §8502(i); see *Rowland v. Public School Employees' Retirement System*, 885 A. 2d 621 (Pa. Cmwlth. 2005). The RTKL expressly prohibits release of information that may not be disclosed under any other Federal or State Law. 65 P.S. §67.102 ("Public Record"). A member has a privacy interest guaranteed by the Pennsylvania Constitution in avoiding disclosure of personal matters. See *Denoncourt v. State Ethics Commission*, 504 Pa. 191, 198, 470 A.2d 945, 948 (1983). Therefore, in responding to requests for records that contain members' personal information, for those matters not specifically addressed below, PSERS will follow the balancing test adopted in *Times-Publishing Co. v. Michel*, 633 A.2d 1233 (Pa. Cmwlth. 1993), *appeal denied*, 538 Pa. 613, 645 A.2d 1321 (1994), and will release the records only if the benefits of releasing the information outweigh the individual's privacy interest. The Board's policy not to release addresses or dates of birth relied upon *Sapp Roofing Co. v Sheet Metal Workers' International Assoc.*, 713 A.2d 627 (Pa. 1988), and was upheld by the Commonwealth Court in *Rowland v. Public School Employees' Retirement System*, 885 A. 2d 621(Pa. Cmwlth. 2005). In *Sapp, id. at 630*, the Supreme Court stated: "Pennsylvania recognizes the right to privacy in Article I, § 8 of the Pennsylvania Constitution, and this Court often invokes this right to privacy to give greater protection to our citizens than that found in the United States Constitution." The staff is authorized to release any pertinent information from active and retired members' files to an employer as required in connection with PSERS' retirement transactions, with the exception of beneficiary

nomination information in cases where no payment is due. Specific benefit calculations are not provided to the public; however, PSERS will provide actuarial tables, retirement formulas and the necessary data for preparing calculations upon request.

In addition, PSERS will respond to a valid subpoena requesting the production of documents or testimony concerning a member's account at a trial, hearing or deposition, as provided in law or rule of court. Further, PSERS can be compelled to produce documents and things for inspection by parties in a lawsuit even if no trial, hearing or deposition takes place, as provided in Rule 4009.21 of the Pennsylvania Rules of Civil Procedure.

The following is a non-exclusive list that illustrates common examples of public and non-public information:
