<Member Name>  
<Member Address>

SSN: <Member SSN>

**Use this form only to elect Class T-F membership. If you wish to remain a Class T-E member do not file this form with the Public School Employees' Retirement System (PSERS).**

**PSERS must receive this form by <Due Date>.** Please note that the form must actually be received on or before the due date if you wish to elect Class T-F membership. A postmark on the envelope will not determine the filing date of your Class T-F election form. The form itself must actually be received by PSERS headquarters or at one of PSERS' regional offices on or before <Due Date>. You may also hand deliver your Class T-F election form to PSERS headquarters in Harrisburg or at one of PSERS' regional offices on or before <Due Date>. Be sure to obtain a date-stamped copy of the form from the PSERS office as proof of your filing. If this form is received by PSERS after the deadline, it will not be effective and you will permanently remain as a Class T-E member.

The decision to elect a Class T-F membership instead of remaining as a Class T-E member is irrevocable.

### **Read Before Signing Below**

By returning this form, I understand that:

- I am electing to change my membership class from Class T-E to Class T-F.
- I have carefully read the enclosed cover letter and the *Choosing Your Membership Class* handout.
- My employee contributions are subject to change every three years but will not be less than 10.3 percent nor more than 12.3 percent of my salary, based on the investment performance of the Retirement Fund.
- By paying these additional contributions I am increasing my retirement benefit multiplier from 2.0% to 2.5% of my final average salary for each year of credited PSERS service.
- This decision is final and binding.
